

TNFRSF18 Research Grade Ragifilimab

Catalog No.	DHJ89801A DHJ89801B	Quantity:	100 µg 1.0 mg
Description:	Research Grade Ragifilimab is a humanized monoclonal antibody which targets human Tumor necrosis factor receptor superfamily member 18 (CD357)		
UniProt ID (target):	Q9Y5U5		
Target:	Human TNFRSF18 (CD357)		
Concentration:	1.0 mg/ml, lot specific		
Source:	XtenCHO		
Isotype:	Human IgG1 kappa		
Formulation:	0.01M PBS buffer, pH 7.4		
Purity:	> 95% by SDS-PAGE		
Endotoxin Level:	≤ 0.01 EU/µg by LAL analysis		
Purification:	Protein A/G affinity chromatography		
INN:	Ragifilimab		
Applications:	Functional studies		
Storage & Stability:	Store at 2-8°C for up to 1 week, or in working aliquots at -20°C to -80°C for up to 1 year. Avoid freeze/thaw cycles.		

NOT FOR HUMAN USE. FOR RESEARCH ONLY. NOT FOR DIAGNOSTIC OR THERAPEUTIC USE.
